# Confidential Morals Questionnaire

Name \_\_\_\_\_

The Bible makes it clear that we should avoid sexual immorality (I Thess. 4:3-6). Though God's forgiveness is full and complete, there is a distinction between forgiveness for past sins and necessary, biblical suitability for spiritual leadership. I Timothy 3 outlines qualifications necessary for those who desire to be spiritual leaders. Those qualifications include being above reproach and having a good reputation.

In light of this, ATS is highly concerned about the area of moral purity for students. It is critical that our students exhibit strong convictions and a lifestyle consistent with biblical standards.

*A past problem in this area does not necessarily disqualify you, provided: (1) it can be determined that convictions are strong and consistent with Scripture, and (2) a sufficient, time-tested record of victory has been established. The information that you share with us will be treated confidentially and will be seen only by those directly involved in your application decision. As stated previously, only staff of the same gender will read this portion of your application.*

1. What are your convictions regarding premarital and extra-marital physical involvement? (e.g. petting and sexual involvement) \_\_\_\_\_
