Note from Directors Austin and Robyn Hoxie

Friends, We are thrilled at the prospect of you considering our Antioch Training School. It is an opportunity to come alongside of you in your pursuit of Jesus and step into a consecrated season to the Lord. As with anything, your experience will be dictated on how much of yourself you put into this. Please do not engage this school halfway.

As you begin the process, would you take a moment and ask yourself why you want to participate? Practically, it will add minimally to your resumé, our certificate of graduation will probably not get you hired, and people may even ask why pay for something like this?

The answer has got to be Jesus.

This school is built to catalyze you and your current relationship with Jesus into a lifelong pursuit of Him. It seeks to answer the question's; Who are you? What are you called to do? Who are you called to do it with? The school will come bump up against your current understanding of God, with the intention of rattling anything in your life that is not rooted and built on Jesus. If wholly engaged, this season will solidify how you are going to follow Him for the rest of your life!

Imagine what it would look like for your work place to be exposed to the Kingdom of heaven through you! Imagine living in a consistent state of peace. Imagine knowing how to accomplish the the Will of God! If these sound exciting please consider joining us in the school! Antioch Fort Collins is focused on living a life that is passionate for Jesus and His purposes on the earth. If you are not in the game would you jump in! This school will catalyze a life of passion and purpose!

Sincerely,

Austin and Robyn Hoxie

Confidential Morals Questionnaire

The Bible makes it clear that we should avoid sexual immorality (I Thess. 4:3-6). Though God's forgiveness is full and complete, there is a distinction between forgiveness for past sins and necessary, biblical suitability for spiritual leadership. I Timothy 3 outlines qualifications necessary for those who desire to be spiritual leaders. Those qualifications include being above reproach and having a good reputation.

In light of this, ATS is highly concerned about the area of moral purity for students. It is critical that our students exhibit strong convictions and a lifestyle consistent with biblical standards.

A past problem in this area does not necessarily disqualify you, provided: (1) it can be determined that convictions are strong and consistent with Scripture, and (2) a sufficient, time-tested record of victory has been established. The information that you share with us will be treated confidentially and will be seen only by those directly involved in your application decision. As stated previously, only staff of the same gender will read this portion of your application.

1. What are your convictions regarding premarital and extra-marital physical involvement? (e.g. petting and sexual involvement) _____

2. Have you set guidelines for yourself in the physical area to ensure minimal temptation? _____ If so, what are they? _____

3. Have you had a relationship in the past five years with a member of the opposite sex that would not be considered above reproach? (i.e., petting, sexual intercourse, extra-marital involvement, etc.) _____

If so, when was the last occurrence of involvement in this kind of relationship? (Month/year) _____

What was the extent of physical involvement? (Please be specific) _____

a. **Singles:** Have you dated other men/women since the last occurrence? _____ If so, what has your physical relationship been with them? _____

b. **Married:** How has this affected your relationship with your spouse? _____

4. Are you currently having any struggles in this area? (i.e. temptation, fantasy, pornography, difficulty applying your guidelines/convictions, etc.) _____

5. **a. female:** Have you ever had an unmarried pregnancy or abortion? _____

b. male: Have you ever been responsible for a girlfriend's unmarried pregnancy or abortion? _____

If so, when? Explain the circumstances: _____

6. Have you had any type of homosexual relationship in the last five years? _____

If so, when was the last occurrence of involvement in this kind of relationship? (Month/year) _____

What was the extent of physical involvement? (Please be specific) _____

How does this affect your current relationships with the same sex? _____
